Oasia Hotel Downtown, Singapore unveils two Wellness in the City packages, allowing guests to curate their wellness journey through a two-day Revitalising Escapade or a three-day Holistic Retreat.

Complimentary daily wellness activities are available, including a range of fitness programmes, neck and shoulder massages, and evening cocktails and canapé. Guests can enjoy exclusive access to the Club Lounge where they can create their own wellness bowls for breakfast.

Oasia Hotel Downtown, Singapore has rolled out two Wellness in the City packages for guests

Guests can choose from two wellness activities – a Mental Wellness Workshop on either breath work, active meditation, or embodied movement; and a four-hour Historical Cycling Tour to explore the city with pit-stops to sample local delicacies.

Priced from S\$570 (US\$428), the Revitalising Escapade includes one-night stay in a Deluxe Room inclusive of Club benefits, high tea at The Marmalade Pantry, daily breakfast at Club Lounge, and a choice of one wellness activity.

The Holistic Retreat starts from S\$1,099 for two-nights' stay in a Deluxe Room inclusive of Club benefits, daily breakfast at Club Lounge, an Italian dinner on their second evening at OSO Ristorante, and a choice of one wellness activity.

Book from now to June 22 for stays till June 30.
